# In Flight Times

## DSP Of The Month:

### Stacey Matta

Stacey goes above and beyond the call of duty each and every day. She is a great advocate for the people we support. She is reliable, dedicated and eternally upbeat. Her ability to remain calm and positive through the most stressful situations is unparalleled. When she is not handling most of the medical appointments for the agency, she will pick up extra shifts for houses struggling to find coverage. She is a pleasure to work with and is loved by her coworkers, but most importantly, by the people she supports.

**Thank you, Stacey, for all that you do!**

## Spring Has Sprung

Spring is finally here! Flowers are beginning to bloom, temperatures are warming up and our programs are enjoying outdoor activities! Edith Ave took advantage of the last snow of the season with some fun science experiments, Falls Road had their first BBQ of the season and enjoyed a game of football! ISAIL stretched out their creative muscles with a delicious Sip N' Paint with hot chocolate! We can't wait to see all of the wonderful outdoor activities they have planned for April!

## The Luck Of The Irish!

**We were feeling lucky for St. Patrick's Day! Programs celebrated with delicious food, crafts, and fun outfits!**
