

SRO P.L.U.S FAQs

Q: Who is this program for?

A: SRO P.L.U.S. is a theater program created by Standing Room Only Theater Company in partnership with In Flight Inc. targeted to offering theater experiences geared for people with disabilities in our local area, but open to all teens and young adults interested. We only ask that people who attend fit in a minimum of 1:5 staffing ratio for supervision.

Q: What does this program entail?

A: We are excited to announce we will be doing our second full production in the fall of 2024! All participants who register will be cast in role(s). We work with everyone in the cast of all abilities to help them be the best they can be in this performance! We will continue to work on the skills from the first two sessions while building a fun musical production together!

Q: What are the important dates and times I need to know?

We are currently in the planning stages, but classes will start in the Fall of 2024 with a full production in the Spring of 2025.

Q: Where are you located?

A: Classes are held at the Standing Room Only studio in The Freedom Business Center - 1097 State Rte 55, Lagrangeville, NY 12540 (The plaza next to McDonalds near Arlington High School)

Q: Is supervision provided?

A: The directors provide general guidance and oversight. For those enrolled in the In Flight Respite services, there will be a DSP present for support for the group. Rehearsals are generally closed to parents, family and staff. If you have a situation where you require to stay to support someone, please discuss that with us prior to registration as space is limited for extra people.

Q: Is there transportation provided?

A: At this time there is not transportation provided and this class is drop off and pick up only.

Q: What is the cost?

A: The cost is \$500 for the full production, all rehearsals through the show. Tuition can be paid in monthly installments as long as it is fully paid by the end of the program. The theater program accepts paypal, venmo or check for tuition.

Q: Are there opportunities for reduced cost?

A: There are two opportunities for reduced cost. If you pay the tuition cost in full upon registration, you save \$25! Total cost will be \$475 if paid by October 1st

Opportunities for 50% reduced cost are available if you enroll in the In Flight, Inc. Respite program through Medicaid Waiver. Total reduced cost is \$225 and is due in full upon registration. If you are new to Respite you will need a "golden ticket" from In Flight to upload to registration and that will show you are eligible for reduced tuition. Existing respite members do not need a new golden ticket.

Contact: Jennifer Wells jwells@inflightinc.org or Sarah Green sgreen@inflightinc.org and your care manager for more information about respite!

Q: If I do not qualify for Medicaid waiver, do not qualify for respite, or have self-direction, can I still attend this program?

A: Yes! We welcome anyone who is interested! The Medicaid Waiver partnership allows us to offer staffing oversight and reduce tuition for those who enroll, but anyone is welcome to join the program and attend classes!

Q: I did not get authorization for Respite in time for this production. Can I still apply for reduced tuition in the future?

A: Yes! All are welcome. Those who do not have respite authorization will simply pay full tuition this session and do not have the agency staffing oversight for this one session. You can still enroll now for respite and then have the opportunity for reduced tuition at all future sessions if enrolled!

Q: How do I sign up?

A: If applying for Waiver Respite, first contact Jenn or Sarah (above) and your care manager ASAP to get paperwork moving quickly! Otherwise, if already enrolled in waiver respite from previous sessions or registering as a regular member, please contact Jenn or Sarah stating your interest and they will send you the updated information when it becomes available.
